

Dotti's Doin's

BY DOTTI ALLEN

A friend of mine, due to his job and position I won't mention his name, recently purchased a brand new automobile, but could not depart with the old trusty wheels, cuz it seems that when brothers purchase a Eldorado, Mark IV, Jaguar, Corvette, or the likes of a luxury auto the higher ups (supervisors, shift bosses, etc.) seem to think the brothers are moving up too fast, and if they can afford these types of extravagant rides they just don't need the second class job positions they are holding, plus it just don't look right for the folks holding these jobs to drive a better looking car than BOSS.

I wonder if West Las Vegas residents are aware of the actions that are transpiring to convert the Guy Activity Center? It is alleged negotiations are in force to convert the center from it's present state to being a Boys Club. Whats to happen? are we not to have anything we can indentify with? At present we have nothing we can call our own no Y.M.C.A., no library, no theatres, roller rinks, bowling alleys, high schools and anything in general that would compare with other sections of Las Vegas. We do have a DO-LITTLE recreation center.

Speaking of the DO-LITTLE center...I had an occasion to be there Saturday night, and observe the conduct of some of our youth, and I had to hang my head in shame. Some of the youngsters there supposedly to attend a dance, were using some of the most foul and profane language I have ever heard. These same youngsters were aware that there were adult ladies present, but respect was definitely not there. It made me wonder what types of home environment these kids are being raised in. The dance itself was being given for a good cause, the admission was only one dollar, but the youngsters remained outside to make public spectacles of themselves, and not until the threat of a fight and the presence of the LVPD was on the scene was there a great attendance. Our youngsters always complain there is no place to go and when some event is given for them they don't care to support it. I wonder just what it is they expect?

Sunday afternoon friends and neighbors of the RAPPERS, got together at the home of TONY, and MARIE DORAM, to celebrate their 1st anniversary, and combine the celebration in honor of COOKIE COOPER, jazz vocalists' birthday. The group assembled on the patio and within minutes neighbors from blocks and blocks away made their way to the soulful happenings, and soul food that lined the tables strung out across the yard.

Be sure and pick up your copy of the book "This is The One" written by BERNARD CUSHMEER,. I'm sure you will find it interesting reading.

Birthday wishes to COOKIE COOPER, SAMUEL DUNCAN, JOHN SIMON, and CAR- YLA PETERS.

AMERICA IS KNOCKING ON THE DOOR OF THE WHITE HOUSE TO HAVE A CHAT WITH MR. MILLHOUSE

Is it true Mr. Nixon has knowledge of Watergate? I hope we find out before it's too late. Is this the man with plan that will have us eating from soup cans!!! Or is this the man with phase four that will have us knocking on Communists doors? Or better is, this the man who gives the impression there will be another depression? Or is this the man that sent for the men to come home from Vietnam to have them eating from cans of spam? Or is this the man who withheld the tapes to keep clear of Watergate? Or is this the man that will hurt every man in our so very Democratic Land?

Our President was bold the plan was old and I have been told he has a cold. Was it because he couldn't wait to tell us about Watergate, or has Phase Four took life from the poor? But lets all hope Black and White that we were right in the money we spent we elected an honest President.

P.S. Phase One was bad!

Phase Two was sad!

Phase Three made America mad!

Phase Four took the truth from the White House doors.
