

# We've Been WONDERING

**WHY?** "what we thought" was one of our uptight - alrite Podners is these days off in some kind of look-down-my-nose, kiss my A-- bag. Could it be "her" cutting a professional gig by day, grinding out tokes by nite, catering to the whims of her player-lover and having to turn to a cube to smooth her emotions is taking it's toll.....

?????

**WHY?** the three consenting adults, all working for the same establishment of whom "scuttlebut has it" comes on Babalonian style, like; the twofellers have more than a good understanding and the chick makes out with the limp - wrist male of the duo don't stop bristling at their associates for laughing at their antics and tagging them weirdos and console themselves with the sayin (quote) there are only two kinds, those that "do" and those that "say" they don't. (unquote)

?????

**WHY?** someone didn't hip us that Fuzz-mobiles were authorized to run through stop signs when being chauffeured attendants. Could it be this is an unwritten privilege of flunkies?

?????

**WHY?** some put a strain on friendship, like; when they have a beef with another that you are both alrite with, friend expect you to get an attitude with the other, and when you don't friend gets an attitude toward you. Could it be, will we ever learn with this type friend who need enemies.

?????

**WHY?** the dude that makes it to his casino custodian gig in his late model hog, flashes his Michigan bank roll (a "C" note on the outside, play money inside) on the maids and other Hotel personnel that he is in close contact with, if he is such a big s--t don't pay his rent. Not a month goes by that the land prop don't have to issue an eviction notice, and on two occasions put an over-lock on his door.

?????

**WHY?** the sequences of 6-16-26-36-46-54-55-56. And 22-33-43-44-60-70-71-72. Are supposed to be lucky for persons born in Gemini, Cancer and Leo.

?????

**WHY?** some "black" businesses let it be known thru the grapevine that the reason they "don't" advertise in the VOICE is that no one calls upon them, don't realize the VOICE is a small newspaper, with a limited staff and if they would but call "us" someone from our staff would respond.

?????

**WHY?** those that seek out the advice of their professional Bros trying to get something on that don't know how to get on themselves and Bro takes time out from his busy schedule to lend a helping hand then don't even have the courtesy to call and say thanks don't realize their senseless ingratitude is why from time to time they are charged to the hilt. It only proves they that game will be gamed upon.

?????

**WHY?** some that work in pubs serving the public don't check their act, clean up their minds and ask themselves if meddling in customers conversations (without being asked) making smart-alec stupid cracks and come on like the patron is "there" because of them than the other way around. Could it be like the ol sayin goes (quote) you can wrap a pig in a blanket of gold but he is still a pig. (unquote.)

## BETSY TERRY SPEAKS

In my last week's column yours truly goofed by reporting Rev. and Mrs. J.L. Kemp celebrated their thirteenth wedding anniversary on Aug. 5, the anniversary was the thirteenth year Rev. Kemp has PASTORED Pleasant Grove Baptist Church. Please accept my most humble apology.

The Victory Baptist Church choir presented their monthly musical Sunday, August 12th at the Victory Baptist Church pastored by Rev. A.J. Thompson. You who missed this event missed a delightful evening. Did you know Rev. Thompson sings with his men's chorus? The senior choir was great, but the Jr. choir is right on time. Their guest Rev. Sam Roberson and special guest was the Now Singers. This program was beautifully done.

For nineteen years Rev. and Mrs. E.C. Kline have been pastoring the Pilgrim Rest Baptist Church. In this time, the Church has moved from "A" Street to 1240 Adams Street. Sunday, August 12th the members of Pilgrim Rest Baptist Church honored their pastor and his wife, Rev. and Mrs. E.C. Kline, on their 19th anniversary. In my humble opinion Rev. Kline is a dedicated man and has the patience of Job. Rev. F.N. Addison, pastor of the Greater New Jerusalem Baptist Church delivered the sermon at 2:30 P.M.

Brother Jerome Free was admitted to the pulpit and will receive his license to preach. Jerome preached his admission sermon Sunday, August 12th at the Bethel Baptist Church pastored by Rev. I.W. Wilson. Young people let's fill Bethel's Church Sunday morning, August 19th and hear this young man preach.

To the pastors of this city, why can't you work together? We are divided because you are so divided. There are only four or five Sundays in a month. Do we have to cross over the River of Jordan for us to get together and work together?

The Christian Fellowship will meet Sunday, August 19th at the St. James Baptist Church, pastored by Rev. J.L. Simmons, 311 Madison Avenue at 3:00 P.M.

We are looking for all pastors and members to be present Saturday, October 27th, 1973. The Ministers Award Dinner will be presented at the Pan Afro Auditorium. All pastors and ministers will be honored. Different awards will be awarded. Any person interested in working on this committee please call 648-2444 or after 5:00 P.M. 876-4850.

The religion that makes the purest and happiest homes will always be best for any country.-If Christianity does that, it is best of all religions.

## All Near-Drowning Victims Should Be Hospitalized

The risk of death from drowning does not end once the victim has been revived, warns Martin J. Nemiroff, MD, of University Hospital, Ann Arbor, Mich. All near-drowning victims who require artificial respiration should be hospitalized for 24 hours following the accident.

Lung damage can occur even if water is not breathed into the lungs, Dr. Nemiroff explains. The brief period of suffocation and lack of oxygen during submersion can cause pulmonary edema, an accumulation of fluid in the lungs, and damage to the lungs themselves. Untreated, pulmonary edema can cause death.
