Jim Bridger Jr. High Journalism Class

Information Please!

Now that school is well on its way -- the Falcons of Jim Bridger are raving for victories in academics, as well as sports.

The faculty and staff of Bridger, headed by Lou Silvestri, Principal, and Vic Gennari, Assistant Principal, are eagerly awaiting any and all visits from concerned local community representatives, merchants and parents. With the support of the community, the school will improve its relationships.

Two teachers, Manny Casillas, and Wayne Tanaka, have organized a home visitation project to better relations between parents - teachers - students.

Open House, 1973, welcome an estimated 500 parents, who visited their children's classes according to a shortened school day schedule, consisting of 10 minutes each.

Several students have received recognition for outstanding "Carriers of the Day." Lamarr Patterson and Bruce Leggroan have excelled as strong leaders and fine students at school.

With an enrollment of an estimated 950 students, Bridger's Human Relations Advisory Commission will deal with present problems of the minority students. The Commission, headed by Mike Kinnaird, Administrative Assistant, will serve as an advisory aide to the school administration. Several activities of school concern related to the community and its culture will be instituted.

The North Las Vegas Optimist Club will observe its annual salute to the most outstanding junior high and high school boys and girls in the North Las Vegas Area. Bruce Leggroan, son of Mr. and Mrs. Robinson, and Terry Lynn McDonald, daughter of Mr. and Mrs. McDonald, were selected by the staff to represent Jim Bridger.

The Boys' Basketball team, under the direction of Coach Ken Jensen, has high hopes to retain its title as city champs. So, beware of the F-A-L-C-O-N-S!

RAMS AND REBS SUFFER SAME FATE

The Rebs of UNLV suffered the same fate on Saturday. The high spirits of last week came crashing down. Praise should be given to both coach's for accepting the defeat so graciously.

INTRODUCING NEWS IN THE MOTHER TONGUE

For Black people, the mother tongue is the same all over the country. It's the unique way we have of expressing ourselves. That's one of the reasons the National Black Network saw the need for a national Black news service.

What do we call Black news? It's simply news reported by Black people, edited by Black people, and affecting the lives of Black people.

That's the National Black Network—a vital communications link between Black communities everywhere.

It's a bet that when you listen to an NBN station, you'll know where it's coming from. After all, it's carrying *your news*.
