

# BRIDGER Registration Schedule

Jim Bridger Junior High has scheduled registration for the coming 1974-75 school year on Thursday, August 29, 1974 between 8:00 a.m. and 11:30 a.m. and between 1:00 p.m. and 3:00 p.m. In addition, a late registration will be conducted the following day, Friday, August 30, 1974 between 8:00 a.m. and 11:30 a.m. for students and for parents who cannot make the Thursday registration.

All seventh and eighth graders who were pre-registered this spring are encouraged to come to Jim Bridger on the above date to complete the registration procedure. Such students and their parents should expect to be on campus for approximately 30 minutes. Seventh and eighth grade students new to the district and those zoned to Jim Bridger but who failed to pre-register should also report on Thursday, August 29, 1974. Due to the extra registration processing necessary with the new students, such students should expect to be on campus for a significantly longer period.

The first day of school will begin on Tuesday, September 3, 1974 at 7:55 a.m.

Gill Blonsley, democrat candidate for County Assessor, said this week, "I want to see a tax exemption on home improvements so that we encourage people to keep their homes in good condition, not discourage them. As our neighborhoods, grow older, this is one way we can prevent their deterioration and thereby keep property values stable."

Blonsley stated that he will publish details of several tax proposals which he feels will stimulate community growth and new business. He said, "We have to get our community moving again, and our taxing structure can play an important part in achieving that goal."

"Above all else, I intend to be a County Assessor who is available to assist taxpayers who have questions or problems. I will be there to work for them--the people are going to get plain talk and fair taxes," Blonsley declared.

Blonsley, a former assistant to retiring County Assessor James Bilbray, Sr., moved from the Assessor's office in 1968 to the District Health Department where he has been Administrative Chief under Dr. Otto Ravenholt.

# VOLUNTARY ACTION CENTER

Help the lonely. Offer your services to the handicapped. Become a person helping other people.

These are a few of the objectives of the Voluntary Action Center located at 319 S. Third St. If you feel you can spare four hours a week or even an hour a day to help someone in need, call 382-5260.

Volunteer work can be done from your own home. For instance, hospital volunteers are needed who can make phone calls from their homes to patients dismissed from the hospital. Just a cheery "Hello. How are you feeling today?", could make the difference between a quick recovery and a lingering illness.

Church organizations need volunteers to make phone calls, again from their own homes in their own time, to delegate assignments.

Volunteers are needed who speak any foreign language. They could help out in emergency situations that develop in hospitals, juvenile homes and even police stations.

Several convalescent centers and juvenile facilities desperately need volunteers to help in the areas of arts and crafts and recreation.

Between now and Aug. 22, volunteers are needed in hotels in Clark County to help sell tickets. The monies raised will help find a cure for dread nerve and muscle diseases.

These volunteer ticket sellers are needed to work 2 to 4 hour shifts between the hours of 11 a.m. and 11 p.m.

Magazines are always needed in our hospitals, mental health centers, convalescent and juvenile homes. Call 382-5260 and the Voluntary Action Center will send someone over to pick them up.

## SPANISH CLASSES

Classes are now forming in conversational Spanish at the North Las Vegas Recreation Department. Classes will last for eight weeks and will meet every day one and one-half hours. Various classes will meet during the day and evening.

A new approach will be taken during this class. The student will be taught how to sing so that he may get a feel for the language and then proceed to more advanced techniques of grammar, said Mr. Roberto Vizcarra, who will be teaching this class.

Mr. Vizcarra has graduated from the University of Mexico, Mexico City. He has taught in Guadalajara, Mexico City and Los Angeles. More information can be obtained by calling the North Las Vegas Recreation Department, telephone 649-5811, Ext. 333.
