

MAYA FEATURED AT PARADE AND RALLY SUNDAY

Maya Miller, Democrat candidate for U.S. Senate, will be spending much of her last Sunday before the election day with the people of West Las Vegas and North Las Vegas. She will take part in a three-hour parade beginning at 3 p.m. through the street of both communities, and return for a rally at Anderson (Carey) Park with her co-hosts, Ruby Duncan and The Rev. Albert Dunn. The rally will be featuring many well-

known celebrities, entertainment, and free refreshments for the whole family.

Special guest at the 5 p.m. rally include Mayor Warren Widener of Berkeley, California and his wife Mary; Las Vegas Justice of the Peace, Mahlon Brown; California Assemblyman Willie Brown from San Francisco; and Rosie Grier from Los Angeles. There also is a good possibility that the world-famous Temptations would be able to appear for Maya, but at press time that depended on the group's other commitments for that date.

There will be live entertainment by "Clyde n' Them and Her," a local Las Vegas 6-piece band. The kids will be provided with free balloons, and there will be plenty of free refreshments. This last big rally before the Primary Election on Tuesday, September 3rd, is expected to last till 9 p.m.

Maya Miller is certainly no stranger to the West Las Vegas Community, and she has spent even more time these past six months in her U.S. Senate campaign listening to the concerns of families.

BERNARD J. HANDLON FOR

Public Administrator

Let us examine the duty of this office as set forth by the Board of County Commissioners.

"Receives and disposes of real and personal property of any deceased who dies intestate or has no heirs in Nevada."

The Public Administrator to a great extent must have the ability to organize and maintain efficient records, understand our legal system, and work within it, and have qualifications as an investigator. Did you ever try to locate a distant relative last heard of many years ago in another State? Try it sometime.

In addition to my past experience as an investigator, I would like to point out certain important qualifications that I do possess.

1. Graduate of Municipal Police Administration.
2. University of California-Organization and Administration.
3. University of Oklahoma, Norman, Oklahoma-Homicide.
4. Certified by State of Nevada, Department of Education, as Instructor in Police Science.

I have 30 years of work as a public servant in Nevada. It is my desire to round out my career by holding public office. After full research of all offices open this coming election, I know I could serve you efficiently as Public Administrator.

I humbly request you check the qualifications of all persons seeking public office and let your conscience control your vote. In any event, do vote.

I Would Appreciate Your Vote
