Jackson Street

Jackson Street between "E" & "F" streets. Irate parents have complained to police that their minor children have been able to buy all the Alcoholic beverages and marijuana they want in that area.

The need for some positive identification seems to be imperative if a better trouble free atmosphere is to be maintained in the area. Especially during the early morning hours 1 a.m. to 5 a.m.

The responsibility of parents having their minor children AT HOME after curfew hours seems to be the most effective way of clearing up the problems, that if allowed to continue, could be the cause of riotous conditions.

More than 8 million Blacks aren't registered. Are you part of the problem or part of the solution?

VOTERS of ASSEMBLY DISTRICT 6

I would like to take this opportunity to express my heartfelt thanks and appreciation for your support in the Primary Election. Your stamp of approval in the Primary surely is an indication of your satisfaction thus far.

As I have said many, many, times my priorities are developed from your interest and I will always keep your interest in mind in the State Assembly.

In the upcoming General Election (on November 5, 1974) I would appreciate your continued support - as you know we only made it half the way. However, with your support in the General we will travel the total distance to Carson City.

THANK YOU AGAIN,

Respectfully yours,

My special thanks are extended to my family, campaign workers, and the various organizations who endorsed my candidacy.

GOOD LUCK TO MY PRIMARY ELECTION OPPONENT. MAY HIS VICTORY IN THE GENERAL BE BASED ON TRUTH AND HONEST WORK.
