ON THE MOVE

Cordova L. Hicks, is a young man on the move. Hicks was stationed at Nellis AFB and like many other men completing their hitch, he chose to make Las Vegas his home.

Before entering the service, Hicks attended Tulsa University majoring in Electrical Engineering and received his diploma from Tulsa Technical College in Industrial Electronics in 1966. He continued his studies in engineering at Oklahoma State University through 1967.

After his release from the service, he became a Casualty Claims Adjuster for Allstate Insurance company, a position he held for two years before joining the New York Life Insurance Co. as an agent.

Cordova and his wife, Dewanda reside at 3961 Shadow wood Avenue and are members of Wesley Methodist Church. He is also Associate Director of the Las Vegas Jaycees, Committee chairman of Boy Scout Troop 183 and Chairman of Finance and Stewardship of Wesley Methodist Church.

We are happy to salute young men with a purpose - young men on their way up.

Project 80

Project 80 is as useful as information, as valuable as time, and it has nothing to do with government, age, or science fairs.

The 80 represents the number of hours it takes to complete the project - reading the entire Bible through from "In the beginning, God..." in Genesis to the final "Amen" in Revelation.

The Living Bible is such an easy paraphrase to read." She completed her project in 53 hours, 12 1/2 minutes.

Hidden words of Baha'u'llah

O YE SEEMING FAIR YET INWARDLY FOUL! Ye are like clear but bitter water, which to outward seeming is crystal pure but of which, when tested by the divine Assayer, not a drop is accepted.
