Black news is good news

Every day something good can happen to those beautiful ears of yours. It's called Black news. And the way you get next to it is by tuning in a National Black Network station.

Every hour on the hour 18 times a day, (slightly abbreviated schedule on Sunday) you can hear about what's happening in your world. That's because it's news reported and edited by Black people.

Listen to the good news. Black news on the National Black Network.

The National Black Network

VA FACTS

Q -- My 20-year-old daughter, whose father was killed while on active duty, plans to be married. Will she still be entitled to war orphan's educational assistance following her marriage?

A -- Yes. Marriage of children eligible for war orphan's educational assistance is not a bar to this entitlement.

Q -- How do I secure dental treatment thru the Veterans Administration?

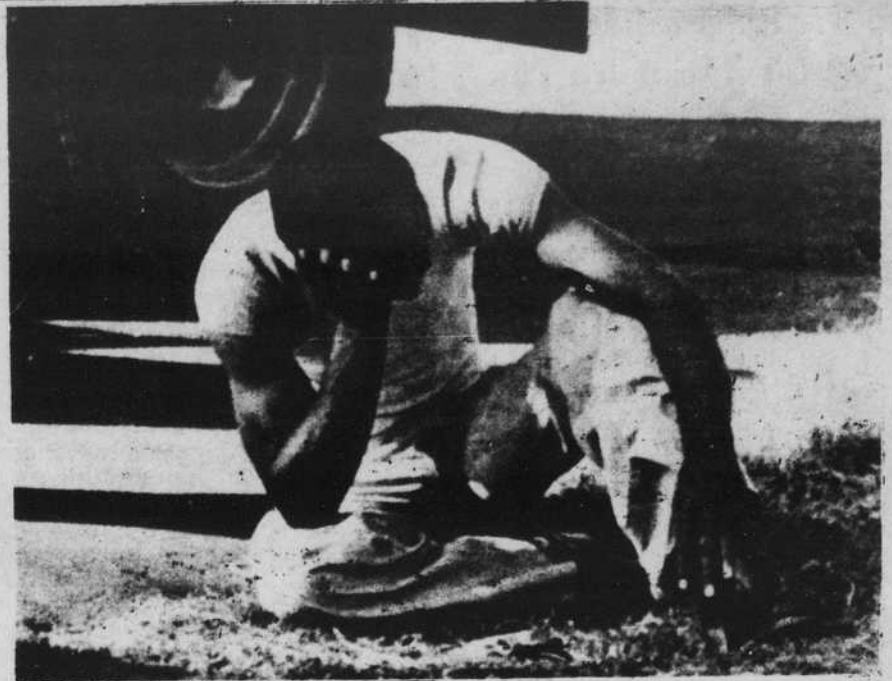

A -- When application is made within one year after release from active duty, dental conditions are presumed to be service connected making them eligible for one time correction.

RITES

two sons, H. Jones and S.D. Franklin, Las Vegas; eight grandchildren and 12 great-grandchildren.

Pallbearers were Sam Richardson, James Robinson, Robert Ellison, R. G. Reid, V. Anderson and Percy Fletcher.

Honorary pallbearers were Allen Sanders, Dave Simon, Dave Edwards, Jewel Scott, Noah Johnson, Veters Atkins, Ranzo Webb, and Hemlet Hamilton.

MINOR ACCIDENT - A four car accident this week resulted in minor injuries for three Las Vegans at East Sahara and Mahoney Avenues. An unidentified man awaits treatment, while firemen study damaged vehicles for possible gasoline leakage. The accident was sparked by a stalled vehicle.

BLACK POWER

is in the voting box

Nevada Power Report

Nevada Power reported today that the Company's electric energy distribution for the four summer months of June, July, August and September was 1,879 million kilowatt-hours, up 12% from the summer of 1973. John C. Gibbs, Executive Vice President, said this is attributed to a 4% increase in the number of customers, plus an 8% increased average usage per customer. The increase in customer usage was caused largely by a longer air-conditioning season than usual.

Gibbs said that heavy air conditioner power use was experienced both earlier and later in the summer than has been normal.
