and another 15th qualifying position. Right from the start he established himself as a force to be reckoned with. The young Black was charging. Benny Scott exhibited some of the most aggressive driving of the entire five-race week-end and put the Black American Racers' Viceroy Super Vee into 8th place at the finish. He earned three more championship points and established himself solidly as one of the top ten drivers in the forty car series.

From Lime Rock, Connecticut, Benny Scott went to Boston for a public appearance and then back home to Hollywood, California, to begin his teaching job as a psychology instructor at California State College. The rest of the team, Len Miller, Mo Campbell, Ron Hines, and John Zeitler went back to the shop to prepare for the next race and the most important race of the season at Watkins Glen, New York
