

# All of us at the Telephone Company get the same telephone service you do.

There's only one telephone company in Las Vegas. We use it, too. That's why we know there's room for improvement.

And that's why we're working hard every day to make it better.

You want good service because that's what you're paying for. It's a matter of value.

We want good service because that's what we're working for. It's a matter of pride.
