

AN OPEN LETTER

Teamsters, Dealers and Casino Employees Division

OF THE PROFESSIONAL, CLERICAL, GROUND MAINTENANCE, PARKING LOT ATTENDANTS, CAR RENTAL EMPLOYEES, WAREHOUSEMEN AND HELPERS LOCAL UNION 995
P.O. Box 1870 • 3243 Industrial Road • (702) 733-8995 • Las Vegas, Nevada 89101

Dear MGM Dealer and Casino Employee:
You've undoubtedly read and heard a lot about this Friday's NLRB union representation election.

But we would like to emphasize to you several key factors that are of vital importance.

First and foremost, we want you to know that the interest of the Teamsters in representing you is not just a passing thing for this one election. We are determined to do all we can for dealers and casino employees throughout the industry. We have made a commitment. We intend to carry it through.

Secondly, if you vote for the Teamsters it will be you, the dealers and casino employees, who will decide on the contract proposals you want. It is you who will determine what goes into the contract. And, all Teamster contracts must be ratified by a majority of you, the members.

Here are some of the contract provisions that can be negotiated for you:

- *Job security agreements
- *Grievance and arbitration procedures
- *Pension benefits that can be moved from hotel to hotel
- *Protection of all existing benefits and facilities.

- *Job promotions through seniority
- *Teamster pharmacy where prescriptions can be filled at cost
- *An outstanding dental & vision insurance program
- *Improved hospital, medical and life insurance benefits
- *Better paid holidays and overtime pay
- *Paid jury duty.

Remember, no other union has as much experience in negotiating with the hotel-gaming industry management as we do. The Teamsters has a proven record of success.

Sincerely,

R.S. Thomas
R.S. THOMAS
Secretary-Treasurer
