Town Tavern leading WAA slow pitch league

The Westside Athletic Assoc. of Las Vegas is pleased with the response the Men's Slow Pitch Ball League is receiving in the community. The League is not only a good opportunity for men to play in organized sports but is a great civic venture by many of our community businessmen. We hope the interest will continue to grow and salute all of those who have helped make it possible.

Last week, the Town Tavern Team maintained their winning streak by defeating the Place Team by a 12 to 1 score. This win gives The Tavern Team a 6 to 0 record. The Tavern Team had excellent play on Thursday Night from Pitcher Luke Young and the hitting power of Sam Brandon. It looks like Lawrence Ducree is in line for Coach of the Year honors.

In the other game of the week, Gus and Ellis Enterprise Team shutout the Sugar Hill Stumpers by the score of 9 to 0. We commend John Holloway for his pitching skill. He is the only shutout pitcher in the League this season. Henry Jacobs, Sugar Hill Third Baseman, was struck out twice in a row by John Holloway who will be looking for his second shutout game this Wednesday.

Scores for the Sunday, 6-15-75, games were as follows:

New Hat	14	Sugar Hill	0
Caesar's Palace	4	Ellis & Gus Enterprise	9
The Place	1	Wild Goose/7-11	9
