Bryant Gets Restraining Order

Running back Cullen Bryant of the Los Angeles Rams leaves federal court in LA after asking temporary restraining order against his transfer to the Detroit Lions under the National Football League's so-called Rozelle Rule. Bryant is the first veteran player switched under the rule.

Dodgers Fall

Blue Moon Odom earned his first National League victory and Darrell Evans belted his 13th home run of the season Tuesday night as the Atlanta Braves beat the Los Angeles Dodgers 4-2.

Odom, 1-4, who came to the Braves in early June in a trade with the Cleveland Indians, entered the game with a 9.00 earned run average. He left with two out in the ninth after the Dodgers loaded the bases and Ron Cey greeted reliever Elias Sosa with a two-run double.

Odom faced the minimum number of batters over the first five innings. He did not allow a batter to reach base until Dave Lopes led off in the fourth with a single. Lopes, attempting to steal, was doubled off first when Bill Buckner hit a soft liner to Evans at third.

Evans drilled his home run over the right field fence in the fifth.
