

The biggest brain on record was that of an idiot; one of the smallest was that of the gifted French Writer Antaole France-Ashley Montagu.

**"From
The
Heart"**

By Rev. Charles Wyatt

Which shall it be? Instant confidence, or instant frustration?
Negative feeling is one of our most mental handicaps and the greatest killer of people.
The mind is a treasure house within us-and

riches can be yielded if only we will open our mental eyes. There is a gold mine within us of which we can extract everything we need to live life gloriously, joyously, and abundantly.

There are many of us who are yet sound asleep because we don't know about the richness within, intelligence, and boundless love. If we only become magnetized as a piece of steel that's able to lift twelve times its weight, that will be the time that we can draw forth what ever we want. Or we can become demagnetized, have lack of confidence and faith, full of fears, and doubts. And when the opportunities come one may say "I might fail; I might lose my money; people will laugh at me." This type of man will not get very far in life because, if he is afraid to go forward, he will simply stay where he is.

Be sure that you think on whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any viture, and if there be any praise, think on these things, Phil 4:8,

Remember-the treasure house is within us, and we can have our hearts desire if only we will open our minds. Great men of all ages found the secret in their ability to contract and release the power of their sub conscious mind. We can do the same with positive thinking. Your sub-conscious has the answer to all problems, for instance, a slight suggestion to the sub-conscious before sleep "I want to get up at 5 am," it will awaken you at that exact time.

The sub-conscious is a builder of you body and can heal you and prevent illnesses. Lull yourself to sleep every night with the idea of perfect health, and your sub-conscious, being your faithful servant, will obey you.

We should never use the term "I can't afford it" or "I can't do this" your sub-conscious mind takes you at your word and sees to it that you do not have the money or the ability to do what you want to do. Affirm, "I can do all things through the power of my sub-conscious mind with God being my helper."
