Parents who choose to drive their students to sixth grade centers may register them between 9:a.m. and 4:00 p.m. August 28 and 9:00 a.m. to noon August 29.

200 BUSES -Nearly 200 school buses will transport all students living more than two miles from their assigned classroom to and from school. Buses are housed at 25th and Stewart and on Arville off West Tropicana. The different yards reduce "deadhead" mileage (travel without children on board) and thus improve the efficiency of the transportation operation.

ANNOUNCING A NEW NOVEL!

BLACK CHAMPION
by Mary Turner
Cover Price: \$1.50
BH474-224 pages

A man's view of the boxing game isn't that unusual, but when a woman gets down to the gut-tearing truth about heavyweight boxing the results can be special, as they are in this exciting new novel, **Black Champion**.

Boxing is inherently colorful, and author Mary Turner makes no attempt to put phony tinsel on the already spectacular life and loves of a real black champion. Instead she strips bare the glamour facade of boxing and tells the inside story of a heavyweight contender who just hated to fight!

It's Mary Turner's story too, and she doesn't pull any punches in telling us just how she used and abused and stopped at nothing to get her champion to perform like an animal in the ring and in bed.

Besides getting the full weight of the passion of these two driven people, the reader is also treated to a generous helping of behind-the-scenes fight game details, making this one of the most authentic, readable novels of its kind.

Enrollment To Top 79,000

Enrollment in Clark County public schools is expected to increase by about 1,600 students to a total just over 79,000 youngsters in kindergarten through 12th grade, according to the Clark County School District.

Most of the students are in the metropolitan area of Las Vegas, North Las Vegas and surrounding unincorporated area, which accounts for 71,050 students. 4,722 students are expected in Henderson's five schools, 1,702 in Boulder City, 768 in Moapa Valley, 370 in Virgin Valley, 336 in Indian Springs, and 128 in rural schools at Blue Diamond, Goodsprings, Mt. Charleston and Searchlight.

Better than 41,600 students are expected in elementary schools, while 19,600 will enroll in grades seven, eight and nine. 17,190 high school students are expected, while 1,768 youngsters at all grade levels will enroll in special education programs.
