FACTS**

Q -- How and to whom may a Presidential Memorial Certificate be issued?

A -- Normally a certificate is issued automatically to the veteran's next of kin. Your nearest VA regional office can assist with application procedures.

Q -- I wish to review my records maintained by the VA to determine validity of certain documents. Who should I contact?

A -- The Privacy Act of 1974 grants individuals the right to access and to seek correction or amendment of records pertaining to the veteran or beneficiary. Submit a written request to the VA regional office that maintains your records.

Q -- I am a married veteran attending college under the GI Bill and am having financial difficulty. Are there any other VA programs that might assist me?

A -- There are two possible sources of assistance. A veteran attending on a full-time basis may apply to participate in VA work-study program. There also is the VA student loan program. Full information is available through the VA regional office or the Vet Rep on campus.

Q -- Are all veterans eligible for a non-service-connected disability pension?

A -- No, only veterans with 90 days or more honorable wartime service who are permanently and totally disabled from reasons not traceable to service are eligible.

SOME DEALERS ARE BABIES

Las Vegas is growing up fast. Today we have 34,000 hotel and motel rooms, and by 1980 we will have almost 50,000. This rapid growth means we all have to grow up too and assume individual responsibility, helping make our tourists feel welcome. When tourists come back again it means more business and a healthy economy. Now and then you see a dealer, however, who acts like a baby. He is temperamental and sour, wanting to have his own way about everything, he ignores even the most polite questions from confused tourists playing at his table. Even Baby Face Nelson smiled once.

Keeping the Las Vegas economy growing isn't kid stuff.
