THE VOICE RECEIVES CALL FROM JOHN THE BAPTIST

"This is John the Baptist. I have come to inform you that the Great Master has sent me here to straighten this earth up. There is no one above the law but me. I am walking among you every day all over the land. No one knows whether I am white or Black.

I am the resurrection day. Beginning Oct. 6, we started the revolution. You will die by the sword that you live by. If you live by the sword, you will die by the sword.

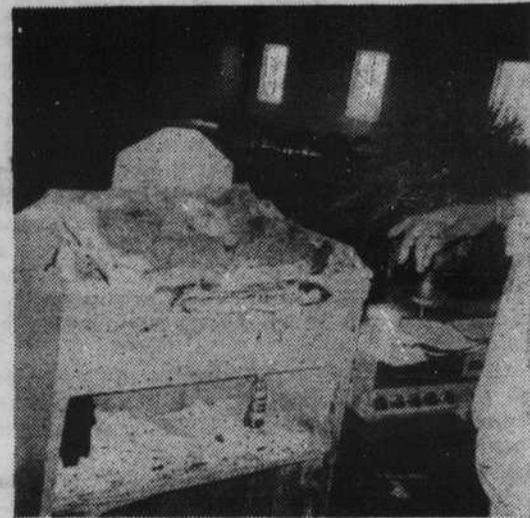

There is only one God which gave his only begotten son, that we may have eternal life. There is only one church and that church is John the Baptist. You have education, you figure it out. If you want eternal life and want to repent your sins to God, you will figure that church out.

Take action and look at the churches that are being set on fire. God doesn't destroy what is good. He only destroys that which is bad. If they should be repaired, he would only burn

them down again. God wants his churches to be respectable, because he takes care of his churches. This tiding system, it must go. God wants his people to live on this earth together.

There will be no firearms or daggers by police or anyone else. We will have no more walls no place in this world under the sun. We will have only a police force to protect the people's rights. And they will only carry billyclubs, which means they will be made of soft wood. If anyone violates any of these rules I will pray to my God and he will give me the power to destroy that individual. If you don't believe it, just try to build one of these churches back up that were destroyed. He (God) is only on the Westside now, but he will extend all over the city. And if you don't figure out the right church, you can bet by the one that is left standing.
