NINE RETURNING

LETTERMEN

With nine returning lettermen to start with, coach Jerry Tarkanian began his fourth season at UNLV as the Runnin' Rebel basketball team began practice for the 1976-77 season Friday on the UNLV campus.

Tarkanian, who has a 73-13 three-year total at UNLV has seven of his top eight players from last year's record-setting 29-2 squad which set 29 school records and broke seven NCAA standards as well.

Also returning lettermen from last season are 6-5 guard Matt Porter and 6-4 guard Mike Milke. Porter and Milke are both juniors and both two-year lettermen.

In the group of returning lettermen are six seniors, four of which will be starting their fourth seasons on the Rebel varsity. Back for the 1976-77 season are 6-7 Eddie Owens, 6-4 Sam Smith, 6-6 Glen Gondrezick, 6-11 Lewis Borwn, 6-6 Jackie Robinson, and 5-11 Robwrt Smith. Owens, Gondrezick, Brown and Robinson have been on the squad for three years, Robert Smith on two Rebel teams, and Sam Smith came to UNLV prior to last season.

Tarkanian and his assistants -- Ralph Readout, George McQuarn, Al Menendez, Odis Allison and John Q. Trapp also have two new faces expected to really help this season.
