All interested parties are urged to attend. N.O.R.M.L. is a national organization dedicated to the reform of marijuana laws on a state by state basis and has members throughout the U.S.

ELEANOR WALKER, President of the NAACP met with Bernie Stanton, candidate for County Commission, to discuss problems related to the Black Community of Las Vegas.

### "Boulevard Capers"

The North Las Vegas Neighborhood Center is introducing a novel idea and they are calling it "Boulevard Capers." The idea is to encourage all persons who have a talent or talents and want to share that talent or talents to sign up with Jewel Owens, Special Program Director at the Neighborhood Center and she will see that you are seen throughout North Las Vegas. The sites so far chosen are out-of-doors and on the grassy playground areas in North Las Vegas. There will be no charge to see these shows and hopefully they will be close enough for the persons in the different neighborhoods to walk. "Boulevard Capers," which will run monthly should provide a lot of fun for their audiences. For further information call Jewel Owens at 649-7737.
