Michelle Renee Medlock would like to thank everyone for their donations and support in helping her become Queen of the Gospel Tornadoes. Sponsored by Mr. Ernest Chambers, she was the first place winner.

Michelle is a third grade student at J. M. Ullom Elementary School and is an active member of the St. John Baptist Church where she is currently serving as their Sunday School Queen.

Her favorite hobbies are reading, watching tv, and playing with her younger brother Michael.

## PUBLIC NOTICE

The CITY OF LAS VEGAS announces that a CITIZENS PARTICIPATION PLAN has been initiated for community participation in the development of the CITY'S THIRD YEAR COMMUNITY DEVELOPMENT PROGRAM under Title I of the Housing and Community Development Act of 1974.

This CITIZENS PARTICIPATION PLAN will be distributed and described at the first public meeting to be held NOVEMBER 30, 1976 in the COMMISSION CHAMBERS OF CITY HALL at 7:30 P.M. to provide citizens with information concerning the possible types of project activities and programs that could be funded under this source of Federal Funds.

The CITIZENS PARTICIPATION PLAN is also available at the DEPARTMENT OF FUNDS, COORDINATION AND PROJECTS on the TENTH FLOOR OF CITY HALL.

CITIZEN INVOLVEMENT, both from groups and individuals, is encouraged at all public meetings. Citizens' priorities and program needs expressed through this process will be full considered. At the first meeting, application procedures, the amount of funding available, and the types of programs eligible for funding will be fully discussed.

Green, feels that the community should be informed of the existence of the committee, and of the people who work in it. Many more people will have a chance to get their message across to their Assemblyman a lot quicker than they could on an individual basis.

"I don't believe that I have seen this method used by other Assemblymen before, and if I am correct, the Chaney Committee has scored another PLUS for the democratic system," says Chairman Green. He continues, "This method of contact is especially valuable while the legislature is in session and perhaps a bill is being considered; that's the time when minutes and quick contact count. We will be in DIRECT CONTACT with OUR Assemblyman thru this committee."

Lee Rayford is Chairman of the Education Committee of the "CC", and as such all concerns relating to education should be routed to him. Lee and his wife Laneal are steeped in the belief that education is a continuing process and that quality education must be extended to ALL. Mrs. Rayford teaches at the Kit Carson Adv

and that quality education must be extended to ALL. Mrs. Rayford teaches at the Kit Carson School and Lee, who is on the School Districts Administrative list, is monitoring the Title I Program. Lee will be long remembered for work he did while supervising the Economic Opportunity Board Learning Lab, where many young adults and others learned to read and write well enough to acquire their GED certificates and many went on to attend college as a result of his gentle guidance past the grey world of functional illiteracy.

Both Vicky and Cecile, the Rayfords daughters, can count on their parents being actively involved in community affairs for many more years, and you may have noticed that Vicky is following in their footsteps. Last summer she volunteered numerous hours to the EOB Health Services Program, as a health aide.

Lee, as Chairman of the Education Committee, has the option of developing ways to get information from person concerned with the broad field of education. One of the means which he is using, is small meetings and coffee klatches, but if you are missed by any of these affairs, please don't hesitate to call on him at home, and he will relay your legislative concern to your Assemblyman, Lonie Chaney.
