

# This Christmas, give the gift of gab.

An extension phone.

For that special spot in the house where someone in your family has always wanted one.

Like the workroom. Or laundry room. Or den. You know the place.

All you need to do is call our Business Office, or drop by, and tell us which telephone model and color you want.

Then we'll give you a festive gift card that announces the phone is coming. You can put the card under the tree in time for Christmas.

We'll come by later at your convenience, and install it where you want it.

It's a neat little gift idea because it's something everyone will make use of. Yet it's so inexpensive it will hardly dent your Christmas budget.

The gift of gab. A nice way to say "Merry Christmas." And ring in the New Year at the same time.
