BENJAMIN HOOKS SPEAKS OUT

Michelle McIhean, daughter of Voice Publisher, Lawrence Albert & Sandra Albert had the pleasure of personally meeting Dr. Benjamin L. Hooks, who was the guest speaker at the NAACP Freedom Fund Banquet. For a child six years old to get such exposure to meet people of Dr. Hooks caliber is indeed quite an experience.

It would indeed be nice if other young people here in our community could get this same type of exposure.

Michelle would like to thank Dr. Hooks, Sarann Knight, Eleanor Walker, Lubertha Johnson, Ida Crockett, and everyone who contributed their time and/or money in making that affair the success that it was. She feels that it would be nice if everyone in our community would get together and do more things to help the NAACP. She would like to urge everyone that is not a member of the NAACP to please join. Also this Sunday, February 27, 1977 between 1 P.M. & 5 P.M. all members are urged to please go and vote for the person that you would like to see run our local NAACP.
