FROM THE DESK OF KATHERLINE JOSEPH:

On Monday, March 21, 1977, a Westside Urban Planning Meeting was held at the Westside Library. The purpose of this meeting was to get community input into the planning of the area.

The people that were present learned that they could play a vital role in the revitalization and redevelopment of the community.

Some of the ideas that came out of the meeting was that they would like to see the "D" and Jackson Streets developed into a commercial area.

One idea was to develop "D" Street into a shopping mall and Jackson Street an entertainment center such as fine restaurants, discos, fine night clubs etc.

The meeting was conducted by Leonard Mason, Design Consultant for the Westside Community Comprehensive Economic Development Plan.

Your questions will be answered in this column each week. Please write or call Katherine Joseph, Community Liaison, Westside Community Comprehensive Economic Development Plan, 2224 East Cheyenne Avenue., North Las Vegas, Nevada 89030 - 642-1671.
