

**YOU HUNGRY?

GOT A SANDWICH
FOR YOU!**

**COME TO THE NEW DELI
AT THE FREMONT.
BELIEVE ME . . . YOU'LL
BE HUNGRY!**

at the brand new deli at the Fremont Hotel and Casino. What a terrific place. Sandwiches like hot corned beef, pastrami, brisket of beef, piled high on fresh rye bread or a kaiser roll, served with coleslaw and real dill pickle . . . lox with cream cheese and onion on a bagel . . . chopped liver, turkey, whatever you want. You could start-off with a bowl of borscht with sour cream. And the new Fremont Deli serves chicken soup with matzo balls that's almost as good as mine. For dessert you gotta try the cheese cake, or maybe a nice piece of apple strudel. But you know something? After one of those terrific sandwiches, you might not even have room for dessert. What's that?
You're NOT hungry?
