# A SOLID RECORD OF EXPERIENCE AND INTEGRITY

Mike Sloan, 32, brings enthusiasm and a wide range of legal experience to the Office of Las Vegas City Attorney.

As a former Deputy Attorney General — as legal advisor to the Nevada Gaming Commission and the State Gaming Control Board — and as one who has worked for the Clark County District Attorney and the Public Defender, he provides a working knowledge of law combined with a down-to-earth approach to good government.

A former staff member to U.S. Senator Alan Bible, Sloan's legal expertise has ranged from the prosecution of disciplinary proceedings, to representing the state of Nevada before the United States Supreme Court.

### A VOTE FOR SLOAN IS A VOTE FOR:

- A 19 year resident of Las Vegas, with a proven track record of accomplishments.
- A continued crackdown on crime in our city.
- A responsible approach to fighting unfair utility rate increases that most effect our Senior Citizens and those on fixed incomes.
- A full commitment to work to insure speedy trials.
