

NAACP MEMBERSHIP RADIOTHON

On Sunday, May 22, 1977, beginning at 2:00 P.M., the NAACP Membership Committee will hold the organization's first membership Radiothon.

This event is planned for the purpose of enlisting all Las Vegans in the fight to end all discriminatory practices based on race, sex, religion or for other superficial reasons.

The record shows that job discrimination, police harassment, mistreatment in jails often in the justice system itself and many other problems are current.

NAACP's goal is for individual dignity and freedom but the individual is powerless to attain this goal -- there is only one way, joining together to pool the strength of the masses against injustice.

Often we hear the question, "What is NAACP doing? or it is doing nothing" -- if you are doing nothing -- there is your answer.

Perhaps you say you do not need NAACP, perhaps not today but how do you know it won't be tomorrow. Acknowledge it or not every minority person making it big today was helped directly or indirectly by this organization. No one can hide nor run away -- no one is safe from racism until everyone is safe. If I can be hurt so can you.

The Radiothon will be conducted by the NAACP Membership Committee -- Coordinated by Sarann Knight, Vice-President of the branch.

No one is excluded from membership - whoever you are. If you believe in justice, come on in and help to attain it for everyone.

Become an NAACP member and become involved.
