FUND RAISING DINNER FOR

JUDGE ROBERT "MOON" MULLEN

The Las Vegas VOICE Newspaper would like to ask each and everyone to please support Judge Mullen in his defense, because we have had a number of Blacks that have lost their jobs with the same system we now have. This is why the Las Vegas VOICE feels that it is time that the Blacks should come out and stand up for Judge Mullen.

The dinner will be July 22, at the Stardust Hotel -- Cocktails at 7:00 P.M. and dinner at 8:00 P.M. Sponsored by the Las Vegas VOICE Newspaper.

The dinner is only \$25.00, but you can mail all of your donations into the Voice Newspaper, or drop in to the Las Vegas VOICE Newspaper to purchase your ticket or give your donation. It will be one of the best things and strongest support that we could give the Judge now in helping his defense.

We hope to have a guest speaker at the dinner.

The Las Vegas Voice would strongly ask our Senator and Assemblymen to investigate the police brutality against Ozia Thomas. It is a shame when a taxpayer of Las Vegas drives into a private service station and the police run up beside of him and pat him down and put him under arrest.

They didn't have any charges which were strong enough to book Mr. Thomas. Police Officer Campbell said he would like to just have 5 minutes alone with Mr. Thomas. He would show him something, and further told Mr. Thomas he had a little derringer in his pocket that if he would move, he would blow his brains out.

The owner of Eli's Chevron, being so inefficient, wouldn't speak up to save the police officers from dragging Mr. Thomas around and putting him in the police car.

The Las Vegas Voice strongly feels that the idea that Aarron Williams had set up at the time he was commissioner, one citizen to ride in a police car, was a good one. I am so glad that the police didn't do any shooting, because there might have been another riot like in Watts. We strongly believe that those two officers have no business patrolling in West Las Vegas.
