WORDS OF LIFE

Biblical Inspiration
For The Week

*"I have come that they may have life."
— John 10:10*

1. *God's will for us is life.* Life is what we "are." If we did not have life, we would not "be." It is by God's will, then, that we are what we are.
2. *Life means sharing.* Life means, first of all, sharing in or partaking of God's life. God is life's Source, Sustenance and End. Life also means sharing with others, as
- in birth-giving and in every loving act of re-creation or renewal.
3. *Life means growing.* We are to do no less than to grow up in all things in Christ, unto the stature of perfection... the fullness of our life in God. God wills no less; as Jesus said: "I have come that they might have life, and have it more abundantly."
