VOICE TOOK LOSS

IN TICKETS FOR

MULLEN

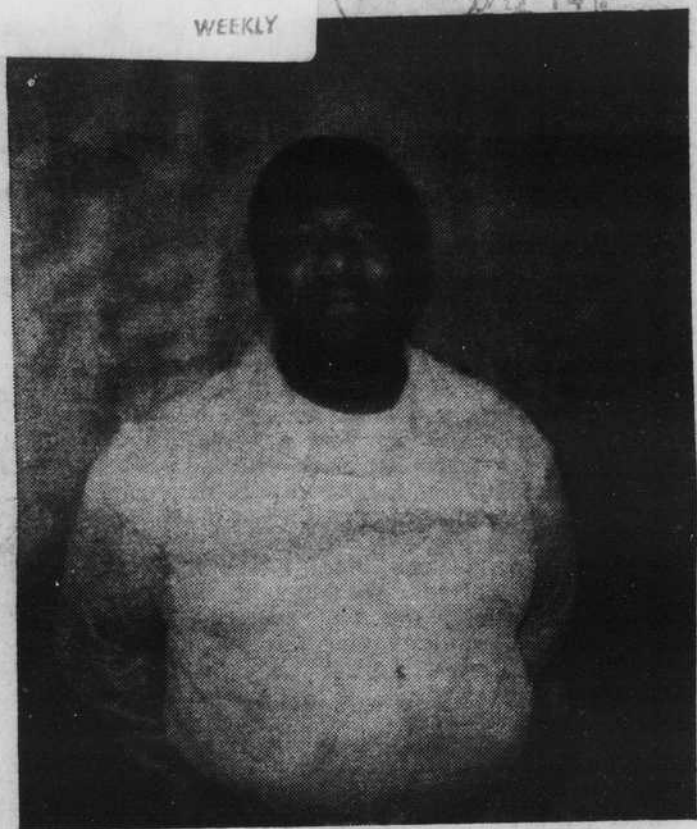

DINNER

Some weeks ago the Las Vegas VOICE sponsored a dinner for Judge Mullen. So far we have most of the tickets in, but we are also taking some loss from some of the responsible people in our community.

Marjorie Elliot has been trying to reach Dan Curtis ever since the dinner. Everyone that has tickets knew that the tickets were supposed to be turned in by 12:00 noon Friday, the day of the dinner. But Dan Curtis and some others feel that there was no need to do so. So he did not report his.

The only reason why I feel so badly about Dan Curtis is because he knew the sincerity of the dinner.

I will include all of my losses and bank statements in our next weeks issue so I can close that case because I tried to do my best to help the Judge in his defense.

POLICE SUB-STATION?

NAACP Monthly Meeting

The Las Vegas Branch of the NAACP's regular monthly meeting will be held Sunday, September 11, 1977, at the new EOB building, 1818 Balzar Avenue, at 4:00 P.M. The following Black Elective officials have been invited to give a five minute speech about their work: Adeliar Guy, District Judge; Senator Joe Neal; Robert Mullen, Judge of the Las Vegas Municipal Court; Assemblyman Marion Bennett; Assemblyman Lonnie Chaney; Brenda Mason, Member of Board of Regents of the University of Nevada; Thomas Brown, Member of the City Council of NO. Las Vegas; Virginia Brooks Brewster, Member of Clark County School Board of Trustees. A question and answer session will follow. The public is invited to attend!

The Las Vegas Newspaper voices its opinion about opening up a police substation on the other side of town. It seems to me that West Las Vegas has more need for a sub police station since all of the murders, bar raids, police brutality have occurred on this side of town, and has gotten more in need of protection than any other place. Because whites clam that their reasons for not coming over here is because it isn't safe. I strongly feel with that type of protection it would show some whites that we do have police protection for them and they will patronize our businesses. Blacks now are building better businesses in their area and cleaning up their area for business of all races, creed or colors for us to survive in West Las Vegas.

We have to show that we are qualified to run our businesses above board. So now we have achieved that award, I am asking all the senators and assemblymen from all of the black districts to bring that issue before the city commissioners and see if we can get a loan for a sub police station in West Las Vegas. So far the only thing we have gained is a school crossing light on West Owens. Surely you can't take the city of Las Vegas no other way but West. So I am asking the community to urge their organizations and leaders to look into that and our crime will be twice as small as it has been.
