#21, Raymond Strong, an outstanding player for the Rebels.

UNLV Rebels hosted Troy State Saturday. This was the first time the Rebels had met the Trojans, therefore they went into the game not knowing just what to expect. Not only was this the first time for the Rebels to face the Trojans, but it was the first time they had faced anyone from the Gulf South Conference, of which TSU are the defending champs.

The outstanding player for the Rebels was Raymond Strong, #21, Running Back. Even tho the Rebels had never met the Trojans before, and were unaware of how they played, the Rebels won 35-28.

Prayer Poem

In 1712 the German hymn writer Matthias Claudius wrote in exquisite simplicity of the ecstatic joy of the harvest on the part of those who see in it "the flowering of God's work" through us. The second stanza is es-

pecially pointed in its reminder that God's mercies are far greater than any deserving on our part. "The harvest is plentiful": These lines from the hymn, "We plow the fields, and scatter," should encourage us in our attentiveness to our life's growth in and through God's Church.,

*He only is the Maker
Of all things near and far;
He paints the wayside flower,
He lights the evening star;
The winds and waves obey
Him,
By Him the birds are fed;
Much more for us, His
children,
He gives our daily bread.*
