## Western "B" Team

Western High School's "B" football team keeps on winning their games. On Thursday, Sept. 29, they beat the Chapparal B team 22 to 0. Marvin Bell, #20 for Western, started the scoring off by running in from about 25 yards out for the first touchdown. The extra point was mixed.

At press time they were scheduled to play Rancho High School's "B" team. This reporter hopes that they were successful in defeating them.

It should look to the coaches at Western that they will have no problem with replacing the Varsity quad with the fine young men who are doing so well on the "B" team.

## UNLV

The 60-page "Runnin' Rebels" press guide issued by the University of Nevada, Las Vegas has been selected as the fifth finest publication of its kind in the country by the College Sports Information Directors of America (CO-SIDA).

The booklet was published as a press and spectator guide for UNLV's 1976-77 basketball season and features in-depth information on each of the Rebel players and coaches as well as their opponents.

The guide was compiled, written and edited by Dominic Clark, sports information director at UNLV, with assistance from the UNLV audio-visual department and the office of Information Services.

The UNLV publication placed first in the nation in two categories of the judging: coverage of the present players and pictorial display throughout the guide.

Clark added that, in addition to CO-SIDA members, a panel of national sports writers and broadcasters served as judges in the annual competition this year.

"This certainly is an accomplishment considering the fact that nearly 600 schools from across the nation entered this year," said Clark.

This is the second CO-SIDA award presented to UNLV since Clark arrived in 1971. Last year, the women's basketball brochure placed second in the nation.

Schools placing above UNLV in the 1977 competition were Notre Dame, first place; University of Detroit, second place; Marquette University, third place; and University of Virginia, fourth place.
