WORDS OF LIFE

Biblical Inspiration For The Week

"The Lord delights in you"
—Isaiah 62:4

I. God has emotions. How do you think of God? Is God a father or perhaps (in our day of women's liberation) a mother? Is God active or passive? Is God real? According to our text, doubtlessly surprising, to some people, God has emotions. We are made "like Him."

II. God can be happy. Just picture for a moment God laughing. What a different or startling picture that is! We sometimes think of God as becoming angry or judgmental. But seldom do we picture God as engaging in delicious enjoyment. "The Lord de-

lights..."

III. God delights in you. The most important thing the text suggests about God's joy is that it comes through us. God delights in us and because of us. Both implications are significant.

Whatever joy we know of on the part of God comes to our awareness because of God's life in or within ourselves.

God's joy is also occasioned by the goodly things we do to make God happy. Have you helped God to be happy today?

Prayer Poem

When we think of joy in relation to God, we typically think of or reflect upon our own joy. But God's joy comes at the turning of human hearts toward him.

This sentiment is well expressed in the following hymn verse by Bishop William Howe, written in 1867:

*O Jesus, thou art pleading
In accents meek and low,
"I did for you, my children,
And will you treat me so?"
O Lord, with shame and
sorrow,*

*We open now the door;
Dear Savior, enter, enter,
And leave us nevermore!*

The Lord delights in us as we worship and work faithfully in the congregation of God's people. Support your pastor. Support your church.
