Black & White Ball

Miss Janis "J.C." Carter, the lovely and talented vocalist of the West Coast entertainment world, will be in complete command at the First Annual Black and White Ball, as she pours out her story in the sound of music. Miss Carter, known for her sweet and innocent style, specializes in jazz songs, but can captivate her audience with any style of music - from rock to blues. She will be accompanied by pianist, arranger Walter Mann and his band. The Black and White Ball will be held Dec. 14, at 9 p.m. in the Frontier Hotel Americana Room. Tickets will be available at the door. Proceeds from this event will go to the Sorority Scholarship Fund for a four year scholarship for a student at the University of Nevada, Las Vegas.

The St. John COGIC members are honoring their pastor and wife in their 13th anniversary Dec. 9 through 11, 1977.

Theme:

For now the Lord hath made room for us and we shall be fruitful in the land.

Gen 26:22

But as for me and my house, we shall serve the Lord.

Jos. 24:15

You are invited to attend.

The St. John COGIC would like to thank all in their cooperation for the Thanksgiving Dinner, for those who was less fortunate.

Remember if you have no place to worship, please come and worship with us.

God bless you all.

How to keep your winter power bills as low as possible.

Energy usage jumps in the winter months and so does the power bill. This year, make sure you don't waste energy - or money - around your home. Here are several important steps you can take.

ATTIC INSULATION

If you're not sure whether you have adequate insulation in the attic, call one of our energy management specialists - 385-6101. He'll inspect your home; make recommendations; provide a list of qualified contractors; and work out a 12-month financing program, if you wish.

THERMOSTAT

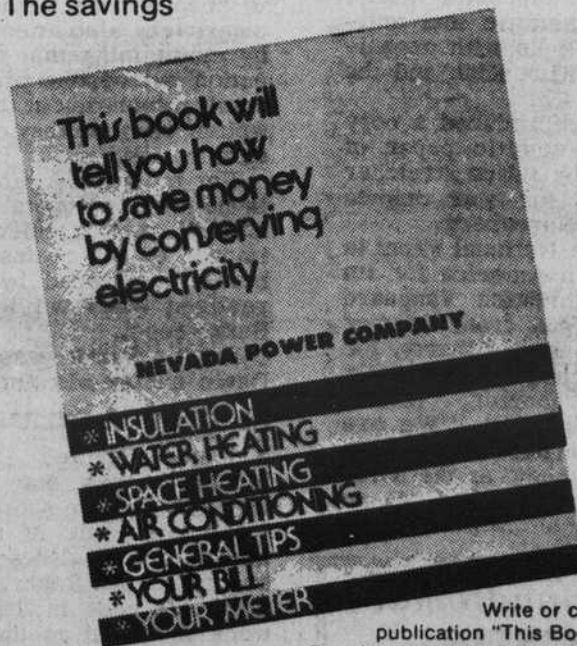

See if you can live with a setting of 70° or 68°. And set it back at night. The savings with a few degrees lower setting can be substantial.

WEATHER STRIPPING AND CAULKING

Check around doors and windows. A few dollars worth of materials can save many times their cost by preventing needless heat loss.

FURNACE FILTERS

Keep filters clean this winter. Now's a good time to purchase several filters so they'll be available when it's time for a change.
