HELP WANTED

OPPORTUNITY FOR PROMOTION/JOB VACANCY County of Clark

ENGINEERING TECHNICIAN II

Work involves limited technical work in an engineering field. Work involves the performance of technical duties requiring the application of standardized methods and procedures and/or the use of simple measuring equipment or devices. Work also involves serving as a rodman or chainman on a survey party and operating an instrument on routine surveys.

Requires graduation from high school and one (1) year experience in surveying, including some experience in the use of the tools, instruments or equipment associated with surveying. Experience may be substituted for education. Salary Range: \$857 to \$1,085 per month.

ENGINEERING TECHNICIAN III

This is technical work in the civil engineering field. Involves the independent performance of a variety of technical duties requiring the application of civil engineering methods and procedures used in street design.

Requires graduation from high school and three (3) years experience in engineering methods and procedures used in street designs. Experience may be substituted for education. Salary Range: \$927 to \$1,174 per month.

ENGINEERING DRAFTER II

This is skilled and technical work involving preparation and maintenance of engineering and planning maps, designs, drawings and records.

Requires graduation from high school, supplemented by courses in drafting and two (2) years experience in technical drafting work.

Salary Range: \$857 to \$1,085 per month.

ENGINEERING TECHNICIAN IV

This is supervisory and/or technical work in the civil engineering design area. Requires graduation from high school and four (4) years experience in a supervisory capacity. Salary Range: \$1,044 to \$1,321 per month.

Filing closes: Monday, January 23, 1978 at 5:00 P.M.

Applications accepted at Clark County Personnel, 118 So. Fourth Street, Las Vegas, Nevada 89101.
