

Remember When?

Remember when HIPPIE meant big in the hips. And TRIP involved travel, by cars, planes or ships?
 When SOUL was man's spirit, one heard of in church,
 And ACTION was movement, a start or a lurch?
 When POT was a vessel for cooking things in, And HOOKED was what Grandmother's rug might have been?
 When NEAT meant well-organized, tidy and clean,
 And GRASS was a ground-cover, normally green?
 When GROOVY meant furrowed with ridges and hollows,
 And BIRDS were winged creatures, like robins and swallows?
 When FUZZ was a substance that's fluffy, like lint,
 And BREAD came from bakeries, and not from the mint?
 When SQUARE meant a 90-degree angle form, And COOL was a temperature, not really warm?
 And ROLL was a bun, and ROCK was a stone, And HANG-UP was something you did to a phone?
 When SWINGER was someone who swung in a swing,
 And PAD was a soft, sort of cushiony thing? When WAY-OUT meant distant, and far, far away,
 And a CAT was a feline, a pet or a stray? When DIG meant to shovel or spade in the dirt?
 And PUT-ON was what you would do to a shirt?
 When TOUGH described meat too unyielding to chew,
 And MAKING A SCENE was a rude thing to do? Words once so sensible, sober and serious, Have now FREAKED OUT, MAN, LIKE THEY'RE PSYCHEDLIRIOUS!!!

Easter Egg Hunt

The nine Las Vegas area Optimist Clubs announced today they will be holding in conjunction with KVOV Radio the 1st annual free city wide Easter Egg Hunt to be held Sunday afternoon March 26th at 1:00 p.m. Smith's Food King has donated over 5000 eggs and various merchants have supplied grand prizes for specially colored eggs. Members of the Las Vegas United REACT will support the Optimist Clubs by supplying traffic control as well as manning a first aid station. Because Optimist and KVOV officials are hoping for thousands of youngsters to attend the Easter Egg Hunt, the location will not be announced until Easter morning on local radio stations and area newspapers.

Gospel All Stars

Guest what Las Vegas! There is a new No. 1 Gospel Group. They are none other than the Gospel ALL STARS. Those or you who missed the concert between the two groups on last Sunday evening, missed a real treat. It was a stupendous success. It was hard to choose a new No. 1 group because both groups were fantastic. In lots of people's hearts the Gospel Tornados will still be a top nouch group.

"GOSPEL ALL STARS WE LOVE YOU, AND KEEP ON KEEPING ON, AND HOLD UP YOUR TITLE FOR THE YEAR OF 1978."

He's always a blockbuster in this town. The town lights up when Sammy Davis, Jr. hits the stage at Caesars Palace. Sammy and Keely Smith completed their one-week engagement there yesterday . . . Frank Sinatra is planning a big testimonial for former Heavyweight Boxing Champion Joe Louis sometime during the month of June. Frank says that this will be a golden opportunity for those who really love "the CHAMP" to show their affection. Joe is recovering slowly from a lengthy illness that had him hospitalized in a Houston hospital. He is now at his home in Las Vegas. You must see crowd-pleaser Carl Evans on sax in the Micky Finn's long-run Showband riot at the Union Plaza Hotel . . . Net proceeds from the fights will be divided 60-40 between the late patrolman's wife and 3 children who live in Maryland and Rogans widow and her two children who live in Las Vegas - the latter will get the larger share . . . Be sure to catch the boxing training program held each Saturday for the kids at the Moulin Rouge. It is developing into one of the most beneficial programs to come into the area.  ing to make the sacrifice in time, money and study to make the grade in a college?

We have attempted to give the high school junior and/or senior or others contemplating whether or not to attend college some food for thoughts. Naturally, these will not apply to all persons. Your decisions will depend in part on your intelligence, personality, character, ambition, and plans for the future. But as many aspects as possible should be taken into consideration before taking this most important of steps.
