With the use of a \$35,000 State Senior Citizens Weatherization grant, through the City of Las Vegas Department of Funds, Coordination and Projects, Developmental Programs Division, 68 low and moderate income seniors' homes were insulated (ceilings only), and 29 mobile home roofs were resurfaced recently. All of the seniors receiving this service live within the Department of Housing and Urban Development's designated target area. This area of the City is located between East Charleston Boulevard and West Carey Avenue, and North Eastern and North Highland Drive, according to H. P. Fitzgerald, Director of the West-side Community Development Commission, a Community Coordinating Agency for the City of Las Vegas Block Grant funds.

This program was designed to combat the ills caused by poor home insulation.

Fitzgerald also reported that between May 1977 and January 1978 the Developmental Programs Division made 26 rehabilitation loans to low and moderate income families totaling approximately \$160,000.

Here, two of the Boxing Club participants spar. If you think it's easy - try it.

Controlling the opponent's punch is important. L. C. Morgan, boxing manager/trainer, works with aspiring amateur boxing club member to miss a right jab he is throwing to the chin.

It takes a champion to cement the dreams of these boxing hopefuls.

Amateur Boxing: Young adults are trained in the art of boxing and participate in local competitions.

Marion Bennett Youth Program Boxing Club will hold their first major exhibition on Monday, March 20 at 7:00 P.M., at the Silver Slipper on the Las Vegas strip. All participants are community youth between the ages of 16 and 23 who have been training all month in both physical fitness and self-confidence.

L. C. Morgan, Manager/Trainer, who was himself a professional fighter during the 50's and 60's is a hard task-master. Exercises, jogging, gymnastics, dietary guidance and sparring are all part of the training experience offered to youth who are aspiring to become professional boxers.

To all of these beautiful young people who

are putting forth the effort to acquire the knowledge and skill to withstand the challenge of the boxing profession, we say, "Right on!" and ask that the community turn out to see them on Monday night at the fights.

Tickets are on sale at the Silver Slipper Cashier's cage; Big Jim's on "H" and Owens (behind the Humdinger); Larry's Sight and Sound, 811 W. Owens and at the Marion Bennett Youth Program, 960 West Owens. Tax deductible donations for tickets are only \$2.00 each, so bring the whole family - support these youth.
