GIBSON JR. HIGH

Human relations have always been special weeks at Robert O. Gibson Junior High School. Three years ago, Mr. Ray Morgan, our principal, initiated a special dinner using the foods of ethnic groups. Geraldine Gaston was the head cook, using forty Gibson Junior High future gourments. Mrs. Turner the District coordinator for human relations assisted John Pitts and Doris Jones, the club advisors, with the preparations.

BRINLEY JR. HIGH

Brinley Jr. High located on Smoke Ranch Road is perhaps one of the most progressive Jr. Highs in Las Vegas. There are many clubs, and students are encouraged to join and actively participate. The Student Council has sponsored drives and activities for many worth while causes. There have been many eye-pleasing additions to the school since the present administrator (R. C. Priest) came. Parents are welcome and encouraged to come at anytime.
