

SOUTHERN NEVADA

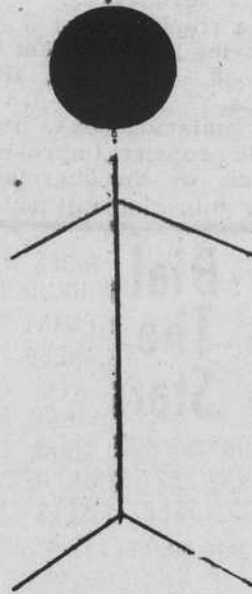

ECO-COMIC

DEVELOPMENT COUNCIL

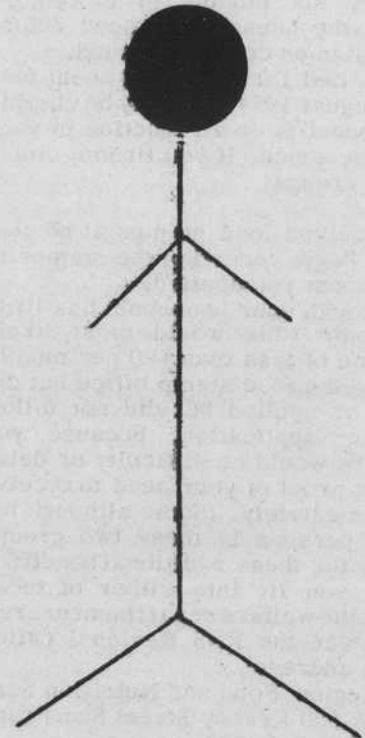

How do you pronounce "S.N.E.D.C."?

S-N-E-C-K. You don't use the "D" - in other words, the "D" is silent. And the "C" is pronounced like a "K". So you pass over the "D" and go right to the "C".

How about just plain "Southern Nevada Economic Development Council"!
