WOODBURY JR. HIGH

School District Human Relations Office Community News

The Sweetheart Ball, sponsored by the Human Relations Club of Woodbury Junior High School was a huge success. Students chose a king, queen, prince and princess from their language arts classes and they were crowned during the dance. Pictured are Queen Kara Peterson and King Ray Vining, both from the 8th grade. Students Gail Hudsell and Reggie Stark, Jackie Virgil and Billy Baget, Anthony Marks and Lawanna Turner, dance together as people did once upon a time. The faculty had fun also. Mrs. McCoy dances with Mr. Harris, and Mr. McClellan, counselor, seems to be giving Renee Martinez a lesson.

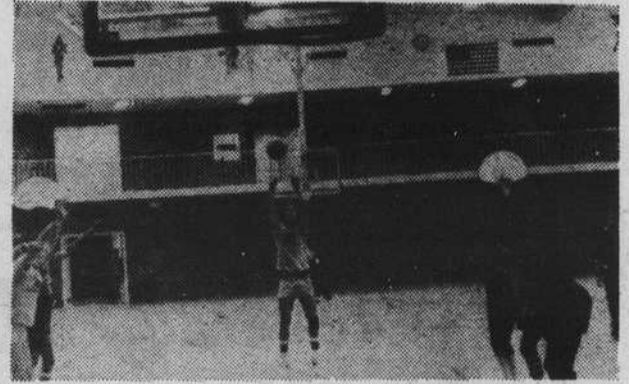

Woodbury Jr. High just completed interscholastic volleyball with competition among all the other junior highs that have only 7th and 8th graders. The Woodbury team consisted of six 8th graders and eight 7th graders. The team was coached by Connie West and Janine Beitz. The following pictures show the kids in action during a match and talking to Mrs. West during a time-out.

Shooting a free throw is Woodbury's Tom Atkins. By a last minute jump shot by Keith Powers, Woodbury won a thrilling game, 65 to 64. The game was refereed closely by Tony Betka.

Folk instruments such as guitar, harmonica, autoharp (and piano) are being taught at Woodbury Junior High School. Here, the students are in rehearsal for a performance.
