Ruth Fyfe School

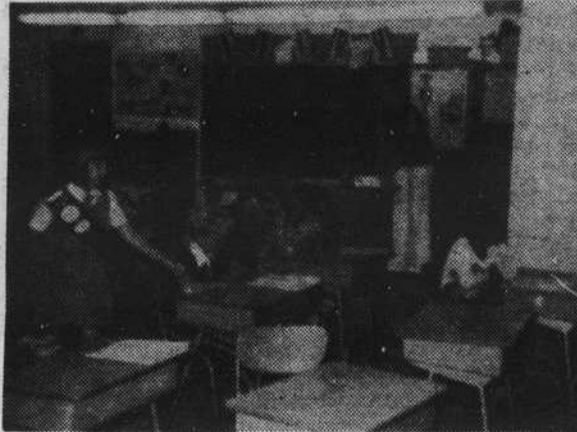

Mr. Goynes is completing his sixth year as Principal of Ruth Fyfe School. Prior to coming to Ruth Fyfe School, Mr. Goynes was Principal of Highland Elem. School, which is now Kermit R. Booker Sixth Grade Center.

It is the philosophy of the Principal and faculty at Ruth Fyfe School, that a good basic educational program is the beginning of preparation for life. Here at Ruth Fyfe School, quality education is our number one priority. In retrospect, we are a three "R's" school, (1) reading, (2) writing and (3) arithmetic. Our curriculum is adjusted so that students experience success at least 90% of the time they are in school.

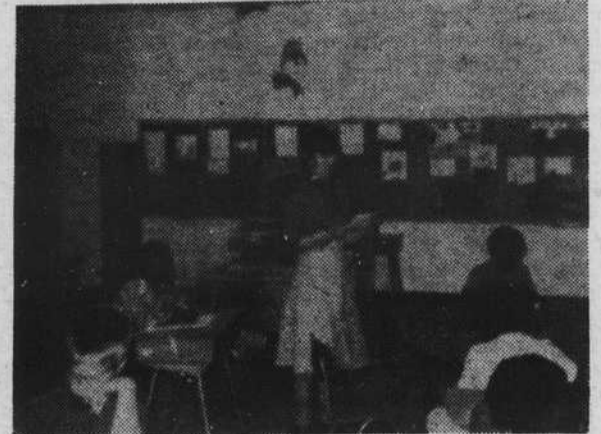

Mr. Goynes is a Principal who feels that all children have the talents to learn and it is the duties of the educators, (principals, teachers, librarians, psychologists, speech therapists, nurses, social workers and parents) to bring out these hidden talents. We feel that every day is a learning day at Ruth Fyfe School. Students are happy attending school each day because we strive for student achievement in our daily programs. We here at Ruth Fyfe Elementary are proud of educational programs that are in operation.
