To Concerned Citizens of Las Vegas:

D. A. Holt Gets Nadir Award for Sponsoring "Be Kind to Informant's Week, June 26 to July 3."

District Attorney George Holt receives the Nadir Award for ignoring justice during his "Be Kind to Police Informants Week, June 26 to July 3rd."

Mr. Holt's "FAVORED-CRIMINAL" treatment hits a new low in law enforcement abuse in connection with the cases of Richard Wilmeth and Clyde Rall, both of whose Mafia tactics illustrate the immunity of police informer for crimes against citizens.

Starting Informant's Week on Monday, June 26th Richard Wilmeth, aka Tony Silva, will get the unbelievable 45th delay of his trial for gunning down Mr. Grover M. Hicks. Holt hesitates to hurry as he wastes taxpayer's time, money, and patience on a trial which will never happen to this Holt favorite.

The week ends on Monday, July 3rd with the whitewash sentence of Clyde Edward Rall, Vegas King Catering Co, executive, whose 3 shotgun blast murder attempt on Golden Scarab Catering Truck driver Mr. James Hungerford has been reduced to a misdemeanor.

To date, neither Clyde Rall nor Vegas King have offered to pay for the Golden Scarab Catering Truck. D.A. Holt obviously opposes any jail time for his pet.

D. A. George Holt publicizes a demand for a sacrificial Lamb to cover up his own malfeasance. For their own protection, Las Vegas citizens should shout the motto: GEORGE MUST GO!

Dick Brayton, Owner Golden Scarab

The odor of lavender was once believed conducive to long life.

will be eligible for Work Release, which means that they will be able to come into Las Vegas to work during the day, but must return to the facility after work.

Election time is drawing near. Be sure to consider each candidate, and do your voting accordingly. We do not urge you to vote for any particular candidate, but DO vote for your choice. Just remember, if you don't vote, you CAN'T complain after the election if the man you wanted in office lost simply because you did NOT vote!!

SEMINARS

Five nationally-known speakers will present seminars on teleprocessing, skills for production supervisors and on the job of the controller this summer at the University of Nevada, Las Vegas.

Co-sponsored by the College of Business and Economics and the Division of Continuing Education, the programs and their dates of instruction: 'Designing, Developing and Operating Teleprocessing Systems,' July 12-14; 'Supervisory Skills for First Line Manufacturing and Production Supervisors and Foremen,' July 26-28; and "Job of the Controller," Aug. 10 and 11.

Brochures providing additional information on these programs may be obtained from the Division of Continuing Education.

An overview of the latest development in distributed electronic data processing will be conducted by George E. Chamberlain, Senior systems analyst for the Lexar Corporation.

Specific topics will include an introduction on the teleprocessing environment, equipment, use of terminal devices, communications software, system design and management and administration of teleprocessing services.

Speakers for the first line supervisor seminar include Dr. Louis V. Imundo Jr., assistant professor of management at Wright State University; and Dr. Donald B. Sparks, president of Sparks and Company, consultants.

This seminar is designed to help first line supervisors plan work more effectively, delegate responsibility, manage employee relations, handle grievances, train workers, make decisions and manage time.

William J. Horne, faculty member of the department of finance at Boston College School of Management, and John Galt Preston, associate professor of finance at Boston College, will present the workshop on the job of the controller.

Management of working capital, intermediate and long-term assets, human relations, and general marketing and production management are some of the topics to be explored.

SUMMER CAMP CONTINUED FROM FRONT PAGE

In charge of the Las Vegas VOICE'S participation is Thomas F. Hughes, and Al Brown, Human Relations Co-Ordinator for the Clark County School District, has been asked by Mr. Hughes to help.

There are between 30,000 and 50,000 in this minority community and the community is being asked to promote it's own Summer Camp.

If everyone would give at least \$1.00, we could easily accomplish our goal. We will be approaching community organizations, businesses, and churches, asking for their support in this very worthwhile drive.

It is planned to use our own busses; i.e. New Jerusalem Baptist Church, and Sunrise Travel Club busses, and other facilities so as to keep these funds working within our community. We are planning the camp for late August, but we need funds now.

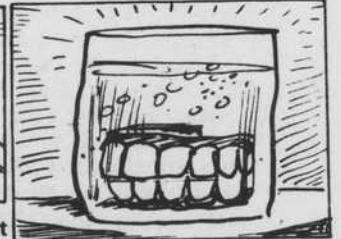

Please mail your check or money order to "Las Vegas VOICE Summer Camp Fund", 616 No. "H" St., (or P. O. Box 4686), Las Vegas, NV 89106.

Let us work together in making this summer a more pleasant one for our children, and give them an opportunity to spend some time in the country.

If you want more information about the camp, how children are selected, or anyother questions, you may contact Thomas F. Hughes at 648-0977 or 452-7641; Al Brown at 735-5480; or Dorinda Baker, at the Las Vegas VOICE Newspaper, 648-2615.

He who carries in his pocket a piece of wood splintered off by lightning is believed by some to have great strength.

Some have believed that dipping ivory into suspect liquid would reveal the presence of poison.
