Sales

AM I CRAZY?

I must be crazy. I spend thousands of dollars of my companies money trying to find a person who is not satisfied with his earnings. I am looking for someone who has had commissioned sales experience - someone who enjoys meeting people - someone who must make at least \$20,000 a year to survive.

We are an 81 year old NYSE, Fortune 500 Company. We manufacture industrial maintenance chemicals used by apartments, motels, municipal governments, schools, hospitals, restaurants, etc. - everyone! We offer hospitalization, major medical insurance, profit sharing, annual bonus, and a liberal draw against commission. The person I am looking for must have a serviceable auto, a solid background in commission sales, and a desire to make money.

Please, if you are that person, call me before they cart me off to the funny farm!
