MARILYN MCCOO & BILLY DAVIS, JR.

APPEAR ON SOUL TRAIN

Marilyn McCoo & Billy Davis, Jr., established as a successful husband-and-wife singing duo since releasing "You Don't Have To Be A Star To Be In My Show" and "I Hope We Get To Love In Time," now score with "My Very Special Darling" and "My Reason To Be Is You." With several hit records and a summer series TV show to their credit, the team plans to expand in solo areas on records and in film.

Newcomer on records, but with several years of top billing on the Denver club circuit, Cheryl Barnes debuts on Soul Train with "Save and Spend" and "I Know." A singer with a heavy classical background, she developed her jazz style by listening to instruments rather than vocalists.

Soul Train is produced and hosted by Don Cornelius and sponsored by Johnson Products Co. of Chicago.

"Blueprint"

A "blueprint for education" in the Clark County School District? KLUX, Channel 10 will air "Blueprint: Past, Present and Future" on Friday, August 4 at 6:30 p.m.

"Blueprint: Past, Present and Future" is an accumulative look at the school district's goals as it began in 1956, its progressive moves and problems in education and its striving to meet the needs of the people who live here and whose children attend the schools in the vast Clark County system.

In 1977, 35,075 elementary, 20,233 Junior High and 19,068 Senior High students attended county schools. The school district has more than tripled its size in twenty years. In the 1978-79 school year, a budget of \$130,658,730 will be required to maintain the current pace of education by the large county system.

In 1969, the CCSD stood an in-depth look at the purpose and functioning of their system, one of the most progressive school systems in the country. Areas of concern were identified as financial; student-teacher ratio; food service, student conduct and salary advancement.

"Blueprint" stresses elements of quality: 53 points of educational goals toward a common goal of giving the best education to Clark County youth. The viewer will see a much clearer picture of how this district, with a unique set of education challenges, does the job.

"THREE TIMES A LADY" NUMBER ONE POP SINGLE

The Commodores, Motown's supergroup, has the number one pop single in America with its recording of "Three Times A Lady," from the group's triple platinum album, "Natural High."

The information is revealed in the August 5, edition of Record World, prestigious music industry trade publication.

This unprecedented chart action in Record World comes just seven weeks after "Three Times A Lady" was released and finds the Commodores skyrocketing over such artists as John Travolta and Olivia Newton-John, Andy Gibb, the Rolling Stones and Franki Valli for the coveted number one spot for single sales.

In addition, "Three Times A Lady" is the number four R&B single in Record World, and the album, "Natural High," continues to hold the number one position as the top selling R&B album. "Natural High" is also the number three album on Record World's Pop Charts and headed upward.

The Commodores, currently on a record breaking personal appearance tour of the States, has scheduled appearances in Chicago, Richmond, Va., Washington, D.C., Birmingham, Memphis, Oakland, Los Angeles, San Diego, New Orleans, Atlanta and others within the next few weeks.
