The Seattle Sounders

The Seattle Sounders had three must win situations this past week in their drive to the 1978 playoffs. They won all three to qualify for the final National Conference wildcard berth and received an outstanding offensive performance from forward MICKY CAVE in the process. Cave was named OFFENSIVE PLAYER OF THE WEEK by the Professional Soccer Reporters Association for his game winning goal in the 3-2 win over Portland, his goal in the 2-1 Shootout victory over Oakland and his two assists in the 5-2 defeat of California.

Cave's 32 points for the season placed him 11th in the National Conference top scorers list. Last year he set a Sounder scoring record with 30 points, sixth best in the NASL.

The 5-8, 155 pound forward joined the Sounders early in 1977. He led York City in the English Second Division in scoring in 1976 before coming to the NASL.

The Sounders will face the New York Cosmos on Wednesday at 8 PM at Giants Stadium in the first round of the 1978 playoffs.

The Philadelphia Fury squeezed into the playoffs by beating Rochester and Detroit by identical 3-2 scores. Instrumental in the Fury's win over Detroit was goalkeeper KEITH MacRAE, who was chosen DEFENSIVE PLAYER OF THE WEEK. MacRae made 17 saves against the Express, and was outstanding in stopping a barrage of shots from Detroit's forward line.

The 27-year old keeper, on loan from Manchester City, led the Fury in all goalkeeping statistics and finished with a goals against average of 1.93, ninth best in the American Conference.

The Fury won four of their last six games to qualify for the playoffs, and will face Detroit at the Pontiac Silverdome on Tuesday in the first round.

UNLV Receive Awards

Sports publications at the University of Nevada, Las Vegas have won six national honors for excellence.

The awards were presented by the College Sports Information Directors of America (CoSIDA) at a recent convention in Atlanta, Ga. Dominic Clark, UNLV sports information director, was there to accept the awards.

The 1978 UNLV baseball press won first place in the nation and was cited for excellence by the National College Baseball Writers Association.

The 1977-78 basketball brochure was voted first in CoSIDA's district eight and fourth in the nation. The 1977 soccer press guide and the football general program both received fourth places in the nation.

The women's basketball press guide won a fifth place national award. "This is the most awards UNLV's sports information office has ever received for its publication," said Clark. "Only one other university received more than UNLV, Penn State won seven awards."
