## "Dark is the Night"

The way called darkness, is crooked and full of cursing. For it is the way of eternal death with punishment and they that walk there in meet those things that destroy their own souls.

On the dark downward road, one stumbles into idolatry, confidence games, pride of power, hypocrisy, double-mindedness, adultery, murder, rapine, deceit, malice, arrogance, witchcraft, covetousness and all lies. Truly they walk in the dark of night and are among those who are the persecutors of them that are good they are haters of truth who know not the reward of righteousness nor will they stay with anything that is good.

These are they who walk in darkness and have no light in them who have no regard or respect for the widow, the orphan, the sick or the old people. And have no fear of god in them. Gentleness and patience are far from them. They love vanity and follow after rewards having no compassion on the poor nor do they have any mercy for those who are oppressed. But are ready to speak evil of anyone. They run hand-in-hand with abortionist, pimps, thieves, and whore-mongers. Having corrupt minds they are altogether sinners.

Now all that chooses the above ways of darkness and does not repent of them before his death bed, shall surely be cast into the lake of fire. But there is a remedy for sins, so what you should do, while you are yet in your right mind, and you have not blasphemed against the Holy-Ghost then there is a chance for you to yet get saved. Remember the preaching of Peter on the day of pentecost, found in the second chapter of Acts 2:38 saying repent everyone of you and be baptized in the name of Jesus Christ, for the remission of sins and you shall receive the gift of the Holy Ghost, and there is no use for you to believe, Acts 2:4, if you want to tear, Acts 2:38, out of the bible because it makes you so mad, the word of God will still be standing when all unbelievers are in hell.

Please believe this friend, salvation is an individual thing for you alone. No one can give it to you, for your own good you are the one.

Why should anyone suffer themselves foolishly to perish, not considering the gift which the Lord has truly sent us in the form of his son wrapped up in flesh in order that the ignorance of men be abolished and renewal of eternal life everyone should take heed that they be not double-minded and have not trust in God and despise and neglect their own life by not thinking of the good things that are to come but, are swallowed up with sadness and fear, sickness and sin, saying how can I come to God for so great a sin. But we know that God is able to heal willing to forgive sins when you meet the condition. He is the Light of the World. You should not walk in darkness.

May the everlasting father bless and keep you from yourself which is flesh and it's desires. Amen!

## Incumbent Seeks Re-election

Lonie Chaney, the District 7 Democratic Assemblyman incumbent, when questioned at a recent citizens' group meeting, stated, "The legislature is in session only ninety days. That is a very short time when you consider it. That is why an incumbent assemblyman offers the voters such an advantage."

"I have always worked in the community -- even before I became interested in the assembly seat."

Chaney broke it down to facts, "My efforts were always concentrated on cutting through bureaucratic red tape and getting benefits for my people; developing work for the young and inexperienced; general assistance for senior citizens; helping people get On and Off welfare. I have worked to get people out of jail. Some of those people, on the surface, have appeared unworthy of anybody's help, but not one single person of that group has let me down."

"The District 7 people," says Chaney, "are my true love, and I try to prove it through my actions. I have invested in the area I live in; my home and business are located in that area."

"Remember, that is the District 7 Voters' Safeguard -- when people invest in me, I cannot let them down," said Assemblyman Chaney, "I must protect my investment. District 7 and its people are my investment!"
