# School District Human Relations Office Community News

## 1977-78 High School Minority Scholarship

I would like to request that a list of all minority scholarships given out this year be submitted to my office.

Please include the name of each student, the amount awarded and also who gave the scholarships.

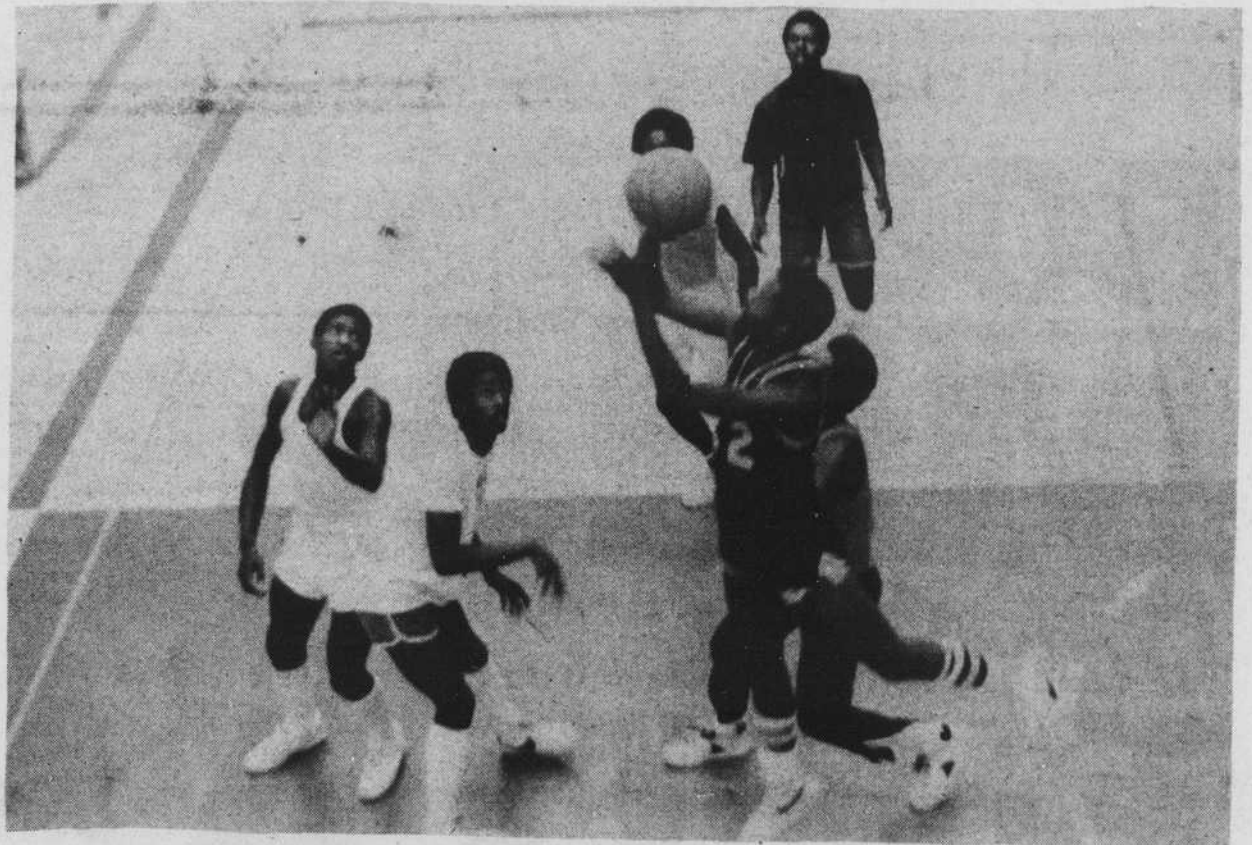

Thank you for your cooperation.

The Human Relations Office Staff is very much involved in implementing and seeking scholarships. Boochie Carter has just completed a conference with one of the coaches in our district about additional information on high school athletics. His duty will be to contact various schools in the state.

Students enroute to Victorville, California to visit Victorville Community College. Getting motivated to attend college.

Say coach, if we go for the top, we will still have \$\$\$ for my education.

Well, you know we have to eat too, this is one of our things. Thanks to the Human Relations Office who made this trip possible for us. And now I am on my way to college. How about you?

## Minority Scholarship Winners
