

Good News For Kids!!

The new PLAYGROUND located at the Burger King on 2044 Las Vegas Boulevard North in North Las Vegas has just opened. This playground features all kinds of fun and games for all kids. Included among the games are a Ten Foot High Spiral Slide, several Climbers made in the shape of animals, and Rocking Horses that are not horses, but pelicans, bees, rocket ships, and other things.

The playground also features covered seating for over forty people, and attractive and safe astro-turf where children play. The playground is open from 9 a.m. to 9:30 p.m.

Burger King's interest in kids doesn't stop

with having a playground. Starting Friday, August 18, the Kid premium program begins again. Every two weeks there after, we will have a new prize for all children twelve and under from the Magical Burger King. For children who want to eat inside the store, we have a special section just for them with real horses' saddles for seats.

And kids, you can have your birthday party at Burger King. For \$1.00 per child, we will provide a cake, food, games, and a good time.

The store hours at the North Las Vegas Burger King have been extended to 9 a.m. to 3 a.m. daily. The address is 2044 Las Vegas Blvd. North in North Las Vegas.

L.V. Resident

Receives Medallion

A 21-year-old Las Vegas resident is the recipient of this year's Nevada Centennial Medallion for achieving the highest four-year grade average at the University of Nevada, Las Vegas.

Martin David Schaffer, son of Mr. and Mrs. Stanley Schaffer, 4108 El Camino Ave., accepted the award from UNLV Acting President Brock Dixon at a Rotary Club Luncheon at the Landmark Hotel. Jim Corey, 1977-78 Rotary President, presented the medallion to Dixon.

The Las Vegas Rotary Club established the award in 1964 upon the occasion of the state's centennial celebration. A silver medallion will be awarded each year through 2064 when the state will observe its 200th birthday.

Schaffer graduated in May from UNLV with a perfect grade point average of 4.0. His major was chemistry and he earned a bachelor of science degree with high distinction in his field.

A graduate of Ed W. Clark High School, Schaffer plans to enter medical school at the University of California, Los Angeles this fall.
