

## List Names Rob Minister Chairman of Lyon County

Rob Minister today was named chairman of the Lyon County List for Governor Committee. Attorney General Robert List, in making the announcement, said he is extremely pleased that Minister has agreed to take an active part in the campaign.

"I want someone who is more than a figure-head," List said. "Rob, who has been a longtime friend, will have an active role in setting the direction of my campaign."

List said that Minister "represents to me what I want my candidacy to show -- a concern about Nevada and its future."

Minister has spent 30 years in the cattle business as a Mason Valley rancher and presently is semi-retired.

His full schedule of community activities, however, leave no doubt of his interest in the future of Lyon County and its residents.

He is past president of the Lyon County School Board, having served six years on the board; Post and District Commander in the Veterans of Foreign Wars; chairman of the board for the Nevada Haygrowers association; and served on the advisory committee to the Nevada State Tax Commission for the Land and Cattle Industry.

Minister also serves as chairman of the Cattle Feeders' Committee, chairman of the Transportation Committee of the Nevada Cattlemen's Association; and vice president of the Nevada Cattlemen's Association.

An active Republican, Minister is past Chairman of the Lyon County Central Committee and served on the state central committee for eight years.

He and his wife, Ione, have one son, Dave, who lives in California.
