LEGAL NOTICE TO FAMILIES WHO LIVED IN PUBLIC HOUSING PROJECTS OPERATED BY THE HOUSING AUTHORITY OF THE CITY OF NORTH LAS VEGAS OR LIVED IN PUBLIC HOUSING IN ANY OTHER CITY BETWEEN MARCH 16, 1971, - SEPTEMBER 26, 1975.

If you rented a house or apartment from the Housing Authority of the City of North Las Vegas or any other Public Housing Agency (PHA) during the period between March 16, 1971, and September 26, 1975, you may be eligible to file a claim for a refund of part of your rent during the period if:

1. The wife or husband of the head of the household was present and dependent upon the head of the household for support and/or;
2. A dependent member of your family household was employed.

If you believe your family falls within one of the categories described above, you may wish to continue reading this Notice in order to determine how and under what circumstances you may file a claim.

On July 7, 1978, the District Court of the District of Columbia entered a Stipulated Order providing that the definition of family income for purposes of computing maximum rentals for public housing, as contained in a HUD Circular, which excluded spouses from the \$300 deduction for each dependent and excluded dependents from the \$300 deduction for each dependent and excluded dependents from the \$300 deduction for each secondary wage earner, was invalid and violated the United States Housing Act of 1937, as amended. The effect of this determination is that certain families who lived in public housing during the period from March 16, 1971 to September 26, 1975, may have been charged too much rent. Therefore, the District Court ordered HUD to establish a one million dollar fund for the payment of claims which current or former tenants of public housing may submit for a refund of any overpayments.

The District Court's Stipulated Order provides that, if valid claims exceed one million dollars, HUD has the option of having the Order dissolved in which case NTO and HUD may negotiate a modified settlement or proceed with further litigation. Thus, claimants should realize that the submittal of a claim determined valid by a PHA may result in full, partial, or no payment, depending on the total amount of valid claims submitted to HUD, or the final outcome of any further litigation. Any person wishing to receive a copy of the Stipulated Order or a claim form may do so by making their request known to a local PHA.

The District Court's Stipulated Order provides Individuals wishing to submit a claim must fill in the claim form made a part of this Notice and must submit it to the Public Housing Agency's address indicated on the claim form, or such other appropriate Public Housing Agency if different from the address indicated, within 120 day period, April 4, 1979.

Information provided by the claimant on the claim form must be specific as to the time period between March 16, 1971, and September 26, 1975, for which the wife or husband of the head of the household was present and was a dependent and/or a dependent in the household was employed.
