**Nevada Voter's League**  
A spokesman for the Nevada Voter's League, which voted to endorse Sarann Knight for City Commissioner at a meeting held Sunday, said today that League members were surprised to hear partisan politics introduced into a non-partisan campaign.  
Marjorie Elliot, League Chairman, referred to a statement issued by a member of the Executive Committee of the Clark County Republican Central Committee who opposes Knight's candidacy announced that though he was not speaking for the board, he and several others are "soliciting fellow Republican Woodrow Wilson to run."  
Elliot said the Voters League is definitely a non-partisan one, committed to supporting representative candidates for office regardless of party affiliation. She also said that Woodrow Wilson, a long time friend of Sarann Knight, is permitting use of his "Woody's Supper Club" at "H" and Owens as Sarann Knight's Campaign headquarters. The Voter's League Chairman further stated the Campaign Committee has begun meeting every Monday night at 8:00 p.m. and that at last Monday's meeting Woodrow Wilson was of the most effective supporters present in delineating strategy and tactics for the Sarann Knight's campaign.  
Elliot also said it should be remembered that Sarann Knight had never considered the idea of running for political office although she has always been a political activist. Rather, she was actually recruited as a candidate by a citizen's committee, headed by Lubertha Johnson, who had been engaged for weeks in recruiting a candidate meeting criteria established by the

group. The Citizen's Committee had agreed that eo be eligible for consideration a candidate (a) should have lived and worked in the community (b) possess required ability and proven dedication (c) have been involved in the leading civil rights, economic, and social organizations representative of the highest aspirations of the community. Knight simply emerged the consensus candidate much to her surprise and no little consternation.  
Dr. James McMillan, President of the Las Vegas NAACP, said of Knight's candidacy that this choice of the people is an ideal one. He noted that Mrs. Knight has been a successful businesswoman here for twenty (20) years and had operated a casino for seven of those years. He said Mrs. Knight and her family have formed a corporation and will soon break ground for the first units of an apartment complex.  
McMillan also noted that Mrs. Knight has just been re-elected 1st Vice President of the NAACP and that she also serves as the organization's Membership Chairman. He said the unprecedented increase in membership rolls under her chairmanship is just another indication of the zeal and ability Knight brings to any undertaking.  
Dr. McMillan stated he feels the Black Community is united behind Sarann Knight as its candidate for City Commissioner. He also said the community has no animosity against Roy Woofter, noting Woofter is a member of NAACP. "Blacks just want true representation," the NAACP President said. He added that one thing for sure is that Sarann Knight's candidacy provides an answer to everyone in the City who is sick and tired of the machinations of "the good old boys."

**WHAT YOUR STARS SAY**

January 24-30

**ARIES - march 21-April 20**  
This is a time to take what you can get and be glad that you're thought of in the first place. On the other hand, if you have the power to let go of unimportant desires, your future will be full of gain. Keep a Bright Focus!  
**TAURUS - April 21-May 21**  
If you look much better than you feel, cut down on your intake of chemical substances. Don't worry about looking like a fool while exercising to lose weight. All things in the universe are paring down and cutting back. You should do likewise.  
**GEMINI - May 22-June 21**  
If the Mind has come alive only to realize that you're utterly broke, don't panic. If you think just a little harder than you did last time you were in the same predicament, you can come up with a truly transcendent solution.  
**CANCER - June 22-July 23**  
If people seem to be forgetting that you exist, maybe you should go out and visit, or make some attempt to ferret out the complicated meanings in other people's lives. You are God's child, and so is every other human on the planet.  
**LEO-July 24-August 23**  
Better stash that bankroll and bypass all games of chance; better have that promist gift you owe a loved one; and you better not jump up and over-exert yourself exercising if you've been

doing nothing physically strenuous in recent days.  
**VIRGO - August 24-September 23**  
That dead-bone feeling in your body is due to low and depressed thinking. No one can resolve this feeling if you do not want it to be dissolved. Read the Book of Job in the Bible. Even if suffering is forever, its intensity does lessen and one can feel good in spite of it all.  
**SCORPIO - September 24-October 23**  
The bright lights of desire are trying to convince you that pleasure is man's primary purpose. This is not true, and deep down in the pit of your feeling you know that man's purpose is to share in or create spiritual vision. Beyond all dark corners, there is Cosmic Light shining upon the path of true freedom.  
**LIBRA - October 24-November 22**  
It has often been said that the hardest part of loving is letting go, and sometimes Love comes and clings to you of its own volition because the charm and grace of your manner automatically attracts. If you attract someone who loves you, but doesn't dress like a fashion ad, be grateful for Truth and Sincerity.  
**SAGITTARIUS-November 23-December 21**  
If you are trying to figure out which is more beautiful—the dreamer or the dream—

you're involving yourself in an idle pastime. In order for both to exist and be beautiful, you must do that which builds strength of character and Will. This is life's most concrete manifestation of Beauty.  
**CAPRICORN - December 22-January 20**  
Alone at last! An ability to live in Silence on a daily basis does represent a certain amount of self-mastery, if you're not hiding from a major responsibility. Sacrifice is the art of making other people happy; sometimes others are happy just being with you.  
**AQUARIUS - January 21-February 19**  
People may feel that you know all the answers and they may be asking you to solve their major and minor difficulties. If you can't handle it, say so. If you don't want to handle it because your mood is selfish, you're making a Karmic mistake.  
**PISCES - February 20-March 20**  
The more you have, the more you have to care for. Things don't always make you happy—what truly churns your heart is kindness, understanding, gentleness. And to attract to you, all that delights you, you must be these virtues. God is good to you, if you're good to yourself.
